

## Information & Organisations

**CEOP** - The Child Exploitation and Online Protection Centre is part of UK police and is dedicated to protecting children from sexual abuse wherever they may be. That means building intelligence around the risks, tracking and bringing offenders to account either directly or with local and international forces and working with children and parents to deliver our unique Think U Know educational programme.

**Childnet International's** mission is to work in partnership with others around the world to help make the Internet a great and safe place for children.

Childnet works in 3 main areas of Access, Awareness, Protection & Policy.

**DfE** - The Department for Education is responsible for education and children's services.

<http://www.education.gov.uk>

**IWF** – The Internet Watch Foundation was established in 1996 by the UK internet industry to provide the UK internet 'Hotline' for the public and IT professionals to report potentially illegal online content within their remit and to be the 'notice and take-down' body for this content. IWF works in partnership with the online industry, law enforcement, government, the education sector, charities, international partners and the public to minimise the availability of this content, specifically, child sexual abuse content hosted anywhere in the world and criminally obscene and incitement to racial hatred content hosted in the UK.
